## Correlation of *Call to Faith* Parish Edition

This correlation of *Call to Faith* Parish Edition Grades K–6 provides page references for the Student Editions. Other program components offer additional opportunities for instruction and development of the guidelines. The Catechist Editions include background content on Sacred Tradition and Sacred Scripture, as well as formation in developmental appropriateness. Lectionary connections for a three-year-cycle, assessments, and optional activities are also provided. Catholic Social Teaching and lessons for the feasts and liturgical year can be correlated with core chapters or stand alone.

The *Call to Faith* website ([calltofaith.osv.com](http://calltofaith.osv.com)) includes extensive online resources and interactive connections between the Student Book and the website, along with music, assessments, social media interaction, customized lesson planning, program support materials, a multimedia glossary, question of the week, and many other features.

*Catholic Parent*<sup>®</sup> *Know-How: Call to Faith* is a practical guide for parents to be informed and engaged in the faith formation of their child. This booklet connects grade specific content with family activities and conversations to ensure everyone is growing and learning together.

*Call to Faith Coaching Plans for Parents* provide a systematic way for the parents to talk to the children about their faith. These free materials are available for one chapter out of each of the unit themes in *Call to Faith* Grades K-3.

### **Take Note of the Following:**

- A. Because of *Call to Faith's* approach to its scope and sequence, which is structurally organized around seven foundational doctrines of the Church, many of the standards are presented at an earlier grade level and expanded in subsequent years, or will be treated at greater depth in a coming year.
- B. *Call to Faith* Parish Edition contains an intentional use of activities to assess learning, aid in understanding, reinforce concepts, and apply learning to the child's life. In some cases the activities are cited.
- C. The Vocabulary references in *Call to Faith* are named "Words of Faith," and are cited in the sidebar and found in the Glossary of Words of Faith in the Student Book.
- D. Our Catholic Source book is a reference section found in the back of the Student Book. This section is patterned on the *Catechism of the Catholic Church* and presents content divided into the four sections of Creed, Liturgy, Morality, and Prayer.
- E. If a standard is not specifically presented in *Call to Faith*, there may appear a suggestion for the catechist about where it would be most appropriate to add this content in a lesson.
- F. In each grade level, *Call to Faith* Catechist Editions present a developmental overview of a child at this age and discuss the content in relationship to the catechetical readiness of the child.
