

# Keep Your Faith After Graduation

The transition after high school brings new adventures—and new challenges. No matter where you're heading, a Catholic Campus Ministry or Young Adult Community offers a vital connection point to keep your faith strong.

## What are Catholic Campus & Young Adult Ministries?

Often called a **Newman Center** or Campus Ministry (on campus), or a **Young Adult Group** (in a parish), these are the official communities of the Catholic Church designed for your stage of life.

## You'll Find:

### Community

Retreats, small faith-sharing groups, social events

### Worship

Sunday and weekday Mass, Adoration, and Reconciliation

### Mission

Service projects and mission trips

### Guidance

Support from dedicated campus ministers, priests, and mentors

### Leadership

Opportunities to take on roles that shape the community and serve others

We help you live your faith every day—not just on Sundays.
